

Please give thanks for our recruitment work. Rebecca Parkes started as our Employment Support manager on 1st September and Simon Bowles our Debt Coach who started on 1st October.

Give thanks for the gifts of these two excellent new recruits.

Pray for our fundraising. Our increased scale requires a lot of energy in fundraising.

Please pray for First Responders as they seek to help those in need. And for volunteers to come forward to enable us to meet the increasing demand for poverty action.

If you would like to join us in praying for our work, please review the guidelines below and then follow the link to join:
